I give permission to enroll my child who is 12 years old or older in the Mass. State Safe Boating Course. Taught aboard the boat, my child will learn navigation, boat handling, and how to be a safe, responsible boater. Successful completion of this class with a passing score will result in a Mass. State Safe Boating Certificate issued by the Mass. Environmental Police. I understand this course is incorporated into the week's activities, will not detract from any group activities and is offered at no additional fee.
